~COMING SOON TO SCE~

Newly Redesigned SCE A&R Website

The main SCE A&R website with student information has been redesigned to make it easier for students to navigate the process of obtaining a student ID and registering for classes. The site has been distilled into three main areas: New Students, Continuing Students and Help. An instructional video on how to register, registration worksheet and an online chat component for assistance are also new to the site. Look for the launch of the new website this Fall on the SCE website!

SCE Mobile Application

A new mobile application has been developed for NOCCCD which includes branded versions for Cypress College, Fullerton College and the School of Continuing Education. Beta users at SCE have been testing the product for several months. Many features will be included that benefit both staff and students, including access to myGateway. The application will initially be available for Android and iOS (iPhone/iPad) devices and is slated to be released in September.

BREAKING -Datatel Acquires SunGard Banner

Datatel and SunGard Higher Education announced August 5 that they will combine and operate as a single company to serve global education. “Under a new agreement, the private equity firm Hellman & Friedman, which owns Datatel, plans to buy SunGard Higher Education from its parent company, SunGard Data Systems, for \$1.775 billion. Hellman & Friedman would then meld Datatel and SunGard Higher Education into one company under a new, yet-to-be-decided name.” according to an article from Inside Higher Ed. Pending regulatory approval, over 2,300 colleges, universities, institutions and foundations will be served by the new company.

GED Time Change

Effective September 17, GED test participants will need to arrive by 7:00 am for the exam. The revised time applies to future exam dates as well. The time change will be published in the Winter class schedule.

Reminder – Confidential Flag in Banner

As a reminder, if a student’s record has a confidential flag marked in Banner, we are unable to release *any* information to anyone without prior written notice from the student or a subpoena delivered to the Registrar’s Office.
