Update Your Information and Attend Every Class!

Here are three different ways to update your information:

1. Fill out the "Updated Personal Information Record" (available at the front counters or with your instructors).
2. Punch in your Social Security Number (SSN) in our secure electronic keypads at the admissions and registration (A&R) desk at each campus. Provide A&R staff with other updated information items (such as address, e-mail, phone, etc.) to update in our system.
3. Visit MyGateway to update your information.
Log onto: <http://mygateway.nocccd.edu> and personally update your e-mail, phone, address, SSN is not available to update on MyGateway.
