

# What's New in Version 9.5

The screenshot displays the CCC Confer software interface for a virtual office session titled "Elluminate Live! - 0 - DONNA GUSTAFSON VIRTUAL OFFICE". The interface includes a menu bar (File, Session, View, Tools, Window, Help) and a toolbar with various icons. A callout bubble labeled "Fresh icons" points to the toolbar. The main window is divided into several panels:

- Participants:** Shows a list of participants, including "Donna Gustafson (Moderator, ...)". A callout bubble labeled "New location for Poll buttons!" points to the bottom of the list. Below the list, it indicates "1 Participant" and includes icons for poll actions.
- Whiteboard - Main Room (Scaled 95%):** Features a toolbar with drawing tools and a large whiteboard area. A callout bubble labeled "Fresh, new look!" points to the whiteboard area. The whiteboard contains the text:
  - Fresh, new look!**
  - Feature enhancements.**
  - Improved audio/video performance.**
  - Recording reminders.**
- Chat:** Shows a chat window with a "Show All" dropdown and a message: "Joined on July 30, 2009 at 10:03 AM".
- Audio:** Includes volume sliders for microphone and speaker, and a "Teleconference available" button.

The bottom status bar indicates "In session for <1 minute." and includes system icons.
